

PRE-ENROLMENT GENUINE TEMPORARY ENTRANT (GTE) FORM

Throughout this document, Australia Institute of Business & Technology (AIBT) will be referred to as AIBT.

AIBT implements the following process for international students.

Prior to enrolment, it is strongly recommended that students have a Pre-Enrolment Consultation with our AIBT Enrolments Team, AIBT Sales Manager or our approved Education Agent. Students will be provided with clear and accurate information about their course before enrolment to allow students to make an informed decision.

During this process, a consultation will be provided with all the relevant course information to help guide students into making a formal decision that will reflect their existing skills and competencies and meet their needs.

This ensures that the course that you choose can truly reflect your existing skills and competencies and meet your needs. This is to ensure that only genuine students and genuine temporary entrants are recruited. The process will be strictly adhered to with no tolerance to exceptions or adjustments.
